

Semiannual Report and Evaluation

Workgroup: Social Determinants of Health (SDoH)

Workgroup Purpose: Develop and promote the transformational integration of Social Determinants of Health in the healthcare delivery setting by creating and promoting connections between Patient-Centered Primary Care Homes (PCPCH) and community resources and agency relationships.

Reporting Period	Report Submission Date
October 1, 2017 – March 31, 2018	April 6, 2018
April 1, 2018 – September 30, 2018	October 5, 2018
October 1, 2018 – March 31, 2019	April 5, 2019
April 1, 2019 – September 30, 2019	October 4, 2019

A. Semiannual progress:

Short Term Goals	Results to Date
Create an organizing framework to use for development of strategies at the practice, community, and policy level	<p>Reviewed a Scope of Work draft document that includes purpose and short- and long-term goals</p> <p>Due to potential overlap with two other workgroups (Universal Care Coordination and Traditional Health Workers), the committee chairs decided to meet and coordinate focus areas and are in the middle of scheduling that meeting</p> <p>Once that discussion has occurred, the workgroup will finalize the Scope of Work document</p>
Present recommendations to the Delivery System Transformation (DST) Committee for future pilots	Still in organizing phase so no recommendations at this time
Identify best practices	<p>Will be engaging an Oregon State University (OSU) Public Health intern to conduct interviews to inventory current IHN-CCO activities</p> <ul style="list-style-type: none"> • Interviewing applicants end of March/beginning of April and hope to have an intern in place by the end of April 2018 <p>Will use the organizing tool from the Medicaid Advisory Council's "Ten possible roles for CCOs to address SDOH"</p> <ul style="list-style-type: none"> • Will begin work on this item in May/June 2018
Map community resources	No work on this
Provide educational recommendations	Committee is several months away from making recommendations which will come from the preliminary work
Long Term Goals	Results to Date
Provide educational recommendations	Not ready
Learning session summit	No discussion

Influence the direction and provide input to IHN-CCO for the five-year CCO application	Targeted for after the inventory of current IHN-CCO activities
--	--

B. What has been successful?

- The Committee is launched, have started to narrow down the focus, and are currently interviewing intern candidates. These are foundational for launching the work

C. What are the challenges and how are you addressing them?

- Assuring no overlap with other workgroups (primarily Universal Care Coordination and Traditional Health Workers) focus. Scheduling a meeting for the co-chairs to discuss focus areas for each group to avoid duplication and overlap.

D. Have there been any significant changes to your Workgroup Goals? If so, why?

- None.
