

IHN-CCO Transformation
Summary of Current Pilots
for Benton, Lincoln & Linn Counties

These are the current InterCommunity Health Network Coordinated Care Organization (IHN-CCO) Transformation pilots in Benton, Lincoln, and Linn counties. Pilots are selected from a competitive Request for Proposals process. The goal is to achieve better quality healthcare, lower costs, and more access to services.

To be considered, pilots must meet at least one Community Health Improvement (CHIP) area. The new pilots in 2020 must address at least one CHIP Outcome and Indicator Concept in the area of Social Determinants of Health and Equity. The graph below shows the CHIP areas addressed by each pilot and the icons are carried through the document to represent CHIP areas for each pilot summary.

SDH

The Bravery Center pilot primary goal is to create an open, accepting center where LGBTQ+ youth can access mental health, educational, vocational, mentorship, and other services such as meals. The Bravery Center pilot will also offer assistance with LGBTQ+ specific needs, such as assisting youth by connecting with LGBTQ+ affirming healthcare providers, navigating the legal processes for name and/or gender changes, and accessing specialist services.

Health Outcomes:

- Provide behavioral health services from affirming providers to LGBTQ+ youth
- Reduced food insecurity within the LGBTQ+ population
- Reduced homelessness within the LGBTQ+ population

Sustainability: If successful, Olalla will continue support of the Bravery Center pilot with partnerships in the region.

Date range: January 2019 – June 2020

Location: Benton County

Sites: Samaritan Health Services

AH

BH

HL

SDH

The Homeless Resource Team includes a case manager, Health Navigator, and Homeless and Vulnerable Patient Committee to help homeless patients find supportive housing. The pilot partners with local health departments, housing agencies, and community service organizations.

Health Outcomes:

- Improved primary care use
- Decreased emergency department use

Sustainability: If successful, the partnerships will continue, and funding will occur through medical billing and reduced costs.

Hub City Village

Date range: January 2020 - December 2020

Location: Linn County

Site: Creating Housing Coalition

Creating Housing Coalition is partnering with several agencies to develop the first tiny home community in Linn County. This is a new and different housing model that meets a need unmet by single family houses and apartments. It also addresses access to resources through on-site health navigation.

Health Outcomes:

- Closed loop referral process based on health needs and income complete
- Circle of providers established

Sustainability: If successful, Creating Housing Coalition will work with IHN-CCO to contract for services and expand to other areas.

Integrated Foster Child Wellbeing

Date range: January 2019 – December 2020

Location: Benton, Lincoln, and Linn counties

Champion: Dr. Carissa Cousins
Samaritan Health Services

The purpose of this pilot is to develop a model of care to find the best way to coordinate care for high-need foster children. Key activities are coordination of services, intensive care coordination, creating partnerships, and establishing a sustainable model.

Health Outcomes:

- Provide timely medical, dental, and mental health care for all foster children
- Support foster youth and families during transition periods

Sustainability: If successful, the partnerships will continue, and funding will occur through medical billing and reduced costs.

Navigation to Permanent Supportive Housing

Date range: January 2020 - December 2020

Location: Lincoln County

Site: Lincoln County Sheriff's Office

Lincoln County Sheriff's Office and many other Lincoln County partners are developing a model of Permanent Supportive Housing targeting gap areas of homelessness. This model would add to existing projects in housing with a referral system hub supported by partners involved.

Health Outcomes:

- Identify and network development of community partners for wrap around services
- Improved care coordination of housing/social services with the Patient-Centered Primary Care Home (PCPCH)
- Increase permanent housing availability

Sustainability: If successful, Lincoln County Sheriff's Office will continue to will work with IHN-CCO and other partners.

Peer Wellness Specialist Training

Date range: January 2018 – December 2020

Location: Benton, Lincoln, and Linn counties

Champions: Family Tree Relief Nursery and
Traditional Health Worker Workgroup

This pilot will have certified training courses for Peer Wellness Specialists (PWSs) in the tri-county area. PWSs are Peer Support Specialists (peers trained in addiction and recovery) with additional training. They work to help people become healthier.

Health Outcomes:

- Identify members in need of Peer Wellness Services
- Increase the number of PWSs working in the region

Sustainability: If successful, the training will continue to be offered by the Traditional Health Worker Hub at an affordable cost.

Reduce and Improve

Date range: January 2019 – June 2020

Location: Linn County

Sites: Capital Dental Care, Lebanon Community Hospital

This pilot works to improve the relationship between physical and oral health. A dental hygienist provides oral health services in a hospital and clinic. These services include navigation for patients and resources for the medical staff.

Health Outcomes:

- Improved quality of care for hospital patients
- Improved access for emergency department patients with dental conditions

Sustainability: If successful, Capitol Dental Care will explore medical and dental billing to offset project costs.

Skills and Connections to Support Housing

Date range: January 2020 - December 2020

Location: Benton County

Site: Corvallis Housing First

The Skills and Connections to Support Housing pilot is implementing a program to increase the skills, knowledge, and confidence of residents. The skills and connections to resources will help with employment, education, and more. The end result will be greater stability for residents and less spending on expensive services.

Health Outcomes:

- Increased permanent supportive housing
- Improved housing stability rates
- Closed loop referral system and service coordination for residents developed

Sustainability: If successful, Corvallis Housing First will work with IHN-CCO to contract for services.

Wellness in Neighborhood Stores

Date range: January 2020 - December 2020

Location: Linn County

Champions: Linn County Public Health/Oregon State University

Linn County Public Health (LCPH) and OSU Center for Health Innovation (OSU) are partnering with convenience store owners and managers on environmental and health impact assessments. Convenience stores will be assessed and adjusted to improve healthy eating and food security in areas IHN-CCO members live.

Health Outcomes:

- Increase the percentage of IHN-CCO members who have access to healthy food
- Improved understanding of IHN-CCO members' health needs with regard to shopping in convenience stores

Sustainability: If successful, Linn County Public Health and Oregon State University will develop a toolkit for dissemination throughout the region.

Wellness to Smiles

Date range: January 2020 - December 2020

Location: Lincoln County

Site: Advantage Dental

The Wellness to Smiles pilot program addresses barriers to nutritious affordable food, housing, and oral health by improving the collaboration between oral health care and social services in Lincoln County. The primary goal of the pilot is to coordinate systems among community partners to reduce health disparities and improve oral health and overall health outcomes for IHN-CCO clients.

Health Outcomes:

- Increase oral health usage
- Screenings for SDoH and referral system developed
- Improved member satisfaction

Sustainability: If successful, Advantage Dental will continue to provide services.
