

IHN-CCO Transformation
Summary of Current Pilots
for Linn County

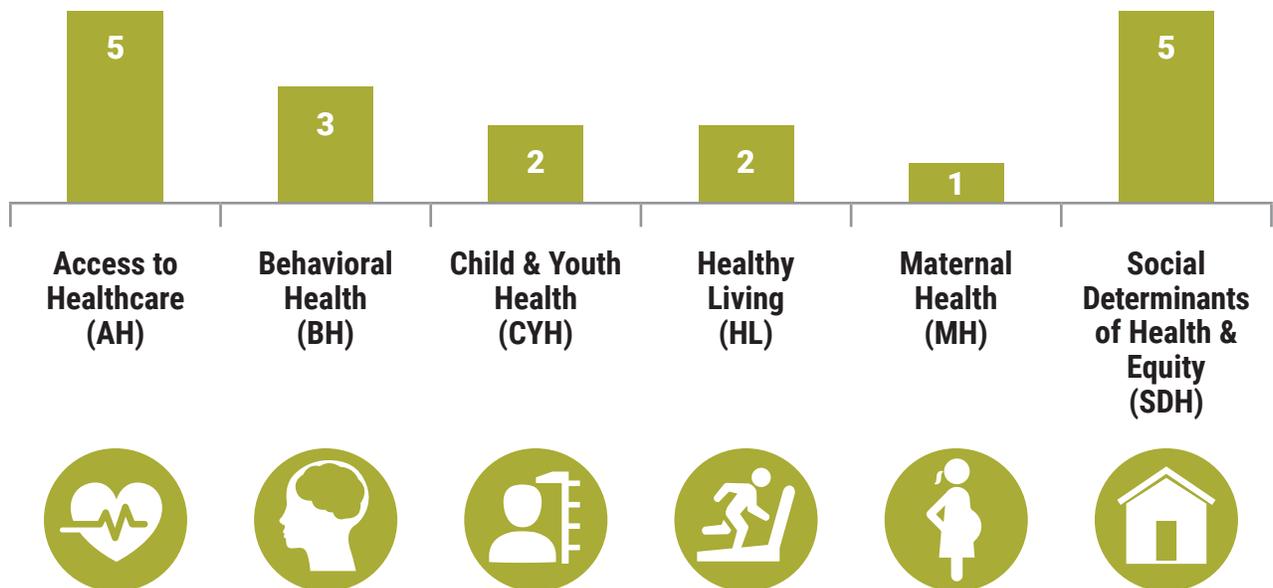

Winter 2020

Be Healthy. Be Happy.

These are the current InterCommunity Health Network Coordinated Care Organization (IHN-CCO) Transformation pilots in Linn county. Pilots are selected from a competitive Request for Proposals process. The goal is to achieve better quality healthcare, lower costs, and more access to services.

To be considered, pilots must meet at least one Community Health Improvement (CHIP) area. The new pilots in 2020 must address at least one CHIP Outcome and Indicator Concept in the area of Social Determinants of Health and Equity. The graph below shows the CHIP areas addressed by each pilot and the icons are carried through the document to represent CHIP areas for each pilot summary.

Transformation Pilots by CHIP Area and by County

Community Doula

Date range: January 2018 – December 2020

Location: Benton, Lincoln, and Linn counties

Site: Heart of the Valley Birth and Beyond

Birth doulas are Traditional Health Workers that build trusting relationships with pregnant members and provide physical, emotional, and informational support during labor and birth. The goals of the pilot are to increase the number of birth doulas, improve health outcomes, and evaluate medical cost savings for pregnant members of IHN-CCO.

Health Outcomes:

- Increase number of Spanish speaking doulas in the community
- Improve birth outcomes such as prematurity, cesarean-section, and pain medication use
- Cross train active multi-lingual doulas to serve as health care interpreters

Sustainability: If successful, Heart of the Valley Birth and Beyond will bill for services and seek out funding for the training portions of the pilot.

Hub City Village

Date range: January 2020 - December 2020

Location: Linn County

Site: Creating Housing Coalition

Creating Housing Coalition is partnering with several agencies to develop the first tiny home community in Linn County. This is a new and different housing model that meets a need unmet by single family houses and apartments. It also addresses access to resources through on-site health navigation.

Health Outcomes:

- Closed loop referral process based on health needs and income complete
- Circle of providers established

Sustainability: If successful, Creating Housing Coalition will work with IHN-CCO to contract for services and expand to other areas.

Integrated Foster Child Wellbeing

Date range: January 2019 – December 2020

Location: Benton, Lincoln, and Linn counties

Champion: Dr. Carissa Cousins

Samaritan Health Services

The purpose of this pilot is to develop a model of care to find the best way to coordinate care for high-need foster children. Key activities are coordination of services, intensive care coordination, creating partnerships, and establishing a sustainable model.

Health Outcomes:

- Provide timely medical, dental, and mental health care for all foster children
- Support foster youth and families during transition periods

Sustainability: If successful, the partnerships will continue, and funding will occur through medical billing and reduced costs.

Peer Wellness Specialist Training

Date range: January 2018 – December 2020

Location: Benton, Lincoln, and Linn counties

Champions: Family Tree Relief Nursery and

Traditional Health Worker Workgroup

This pilot will have certified training courses for Peer Wellness Specialists (PWSs) in the tri-county area. PWSs are Peer Support Specialists (peers trained in addiction and recovery) with additional training. They work to help people become healthier.

Health Outcomes:

- Identify members in need of Peer Wellness Services
- Increase the number of PWSs working in the region

Sustainability: If successful, the training will continue to be offered by the Traditional Health Worker Hub at an affordable cost.

Reduce and Improve

Date range: January 2019 – June 2020

Location: Linn County

Sites: Capital Dental Care, Lebanon Community Hospital

AH

This pilot works to improve the relationship between physical and oral health. A dental hygienist provides oral health services in a hospital and clinic. These services include navigation for patients and resources for the medical staff.

Health Outcomes:

- Improved quality of care for hospital patients
- Improved access for emergency department patients with dental conditions

Sustainability: If successful, Capitol Dental Care will explore medical and dental billing to offset project costs.

Wellness in Neighborhood Stores

Date range: January 2020 - December 2020

Location: Linn County

Champions: Linn County Public Health/Oregon State University

HL

SDH

Linn County Public Health (LCPH) and OSU Center for Health Innovation (OSU) are partnering with convenience store owners and managers on environmental and health impact assessments. Convenience stores will be assessed and adjusted to improve healthy eating and food security in areas IHN-CCO members live.

Health Outcomes:

- Increase the percentage of IHN-CCO members who have access to healthy food
- Improved understanding of IHN-CCO members' health needs with regard to shopping in convenience stores

Sustainability: If successful, Linn County Public Health and Oregon State University will develop a toolkit for dissemination throughout the region.
