2019 PHARMACY DIRECTORY

Out of State

InterCommunity Health Network CCO
2300 NW Walnut Blvd
Corvallis, Oregon

This pharmacy directory was updated on 01/01/2019. For more recent information or other questions, please contact us, InterCommunity Health Network CCO, at 1-800-832-4580 or, for TTY users, 1-800-735-2900, daily 8 a.m. to 8 p.m., or visit IHNtogether.org

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at IHNtogether.org. You may also call Member Services for updated provider information. **We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.**

Introduction

This booklet provides a list of InterCommunity Health Network CCO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review your plan's member certificate and your plan's formulary. If you have additional questions, please contact our Member Services Department. Our contact information appears on the front cover page and last page.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under InterCommunity Health Network CCO only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/21/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

We also list pharmacies that are in our network but are outside Linn, Benton and Lincoln counties, the area in which you live. You may also fill your prescriptions at these pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
