

IHN-CCO Transformation

Summary of Current Pilots

Linn County

Winter 2019

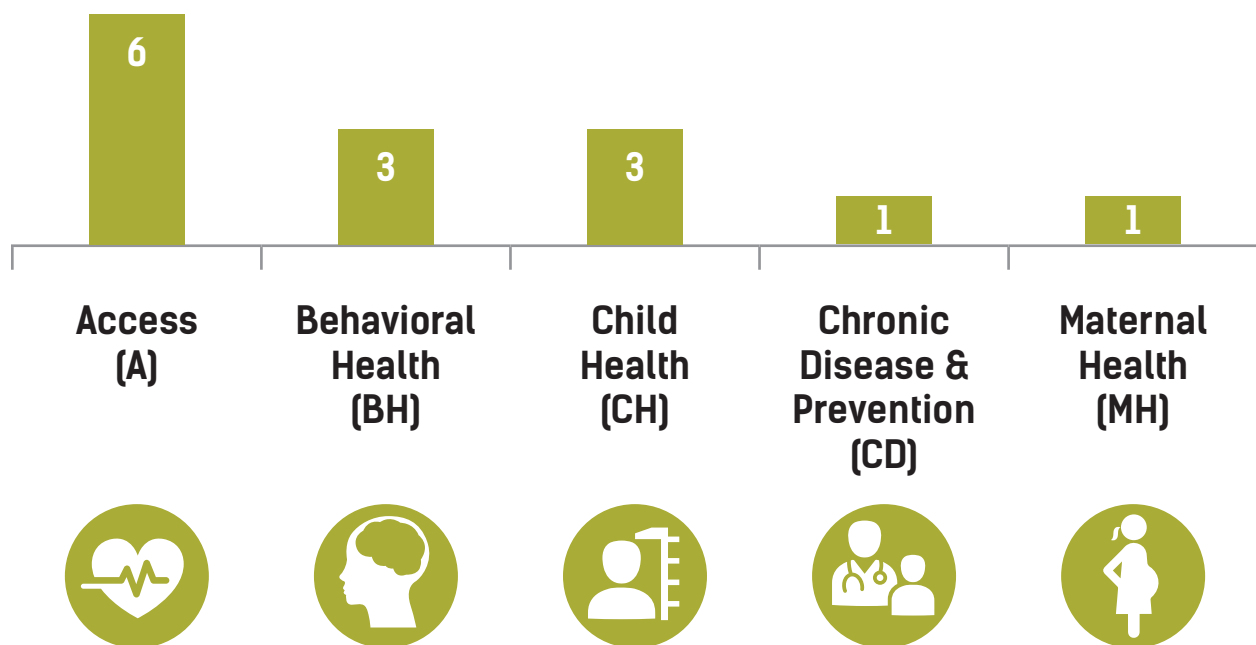

These are the active InterCommunity Health Network Coordinated Care Organization (IHN-CCO) Transformation pilots in Linn county.

Pilots are selected from a competitive Request for Proposals process. The goal is to achieve better quality healthcare, lower costs, and more access to services. To be considered, pilots must meet at least one Community Health Improvement (CHIP) area.

For more information, please visit IHNtogether.org.

Transformation Pilots by CHIP Area: Linn County

The CHIP areas addressed by each pilot are shown by the icons. The small numbers below the icons reflect the Outcomes and Indicators Concepts outlined in the CHIP Addendum – January 2016.

Community Doula

Date range: January 2018 – December 2019

Location: Benton, Lincoln, and Linn counties

Site: Heart of the Valley Birth and Beyond

Birth doulas are Traditional Health Workers that build trusting relationships with pregnant women and provide physical, emotional, and informational support during labor and birth. The goals of the pilot are to increase the number of birth doulas, improve health outcomes, and evaluate medical cost savings for pregnant members of IHN-CCO.

Health Outcomes:

- Increase number of women trained as birth doulas
- Improve birth outcomes such as prematurity, cesarean-section and pain medication use

A1

CH

MH3

Sustainability: If successful, Heart of the Valley Birth and Beyond will bill for services and seek out funding for the training portions of the pilot.

Health Equity Summits and Trainings

Date range: January 2018 – September 2019

Location: Benton, Lincoln, and Linn counties

Sites: Willamette Neighborhood Housing Services and the Health Equity Workgroup

This pilot works to put on health equity summits and trainings across Benton, Lincoln, and Linn Counties. These trainings identify and develop strategies and approaches that best meet local needs. The goal is to make sure that the health equity lens is used in the delivery of healthcare and social services.

Health Outcomes:

- Create a plan to address health equity issues faced by IHN-CCO members
- Increase collaboration among local organizations
- Improve provider understanding of health equity

A2

Sustainability: If successful, Health Equity Summits and Trainings will continue the trainings with fees to cover costs.

Integrated Foster Child Wellbeing

Date range: January 2019 – December 2019

Location: Benton, Lincoln, and Linn counties

Champion: Dr. Carissa Cousins

The purpose of this pilot is to develop a model of care to find the best way to coordinate care for high-need foster children. Key activities are coordination of services, intensive care coordination, creating partnerships, and establishing a sustainable model.

Health Outcomes:

- Provide timely medical, dental, and mental health care for all foster children
- Support foster youth and families during transition periods

Sustainability: If successful, the partnerships will continue, and funding will occur through medical billing and reduced costs.

Peer Wellness Specialist Training

Date range: January 2018 – December 2019

Location: Benton County (impacting Benton, Lincoln, and Linn counties)

Sites: Family Tree Relief Nursery and Traditional Health Worker Workgroup

This pilot will have certified training courses for Peer Wellness Specialists (PWSs) in the tri-county area. PWSs are Peer Support Specialists (peers trained in addiction and recovery) with additional training. They work to help people become healthier.

Health Outcomes:

- Identify members in need of Peer Wellness Services
- Increase the number of PWSs working in the region

Sustainability: If successful, the training will continue to be offered by the Traditional Health Worker Hub at an affordable cost.

Planned and Crisis Respite Care

Date range: January 2019 – December 2019

Location: Benton, Lincoln, and Linn counties

Site: Morrison Child and Family Services

This pilot provides temporary care (respite care) for children in the foster care system that have special mental and/or behavioral health needs. This pilot will fill an identified gap in the delivery system.

Health Outcomes:

- Increase the number of certified foster homes
- Increase usage of respite services and reduce barriers

Sustainability: If successful, Morrison Child and Family Services will continue to provide services and outreach to IHN-CCO members.

Reduce and Improve

Date range: January 2019 – December 2019

Location: Linn County

Sites: Capitol Dental Care, Albany General Hospital and Samaritan Cancer Resource Center

This pilot works to improve the relationship between physical and oral health. A dental hygienist provides oral health services in a hospital and clinic. These services include navigation for patients and resources for the medical staff.

Health Outcomes:

- Improved quality of care for hospital patients
- Improved access for emergency department patients with dental conditions

Sustainability: If successful, Capitol Dental Care will explore medical and dental billing to offset project costs.

Regional Health Education Hub

Date range: January 2018 – September 2019

Location: Benton, Lincoln, and Linn counties

Site: Samaritan Health Services Health Education

This pilot transforms the delivery of health education in the tri-county region by establishing a central health education hub. This allows community members, social service agencies, and healthcare professionals to easily access the full range of health education offered.

Health Outcomes:

- Improve member chronic disease self-management skills
- Reduce overall healthcare utilization
- Decrease Emergency Department visits

Sustainability: If successful, the partnerships will continue and funding will occur through cost-sharing and insurance contracts.
